

Math 339SP, Spring 2024 — Project assignment 2

Tim Chumley

Due May 3 at 5:00 pm

Instructions. This prompt covers material in conclusion of the group presentation.

Problem 1. As a conclusion to your group project, I'd like you to each individually write a summary reflection on your topic and presentation. I would like you to write 1-2 pages in response to the following questions.

1. What were you most excited about in your topic?
2. What could you see yourself wanting to learn more about?
3. How did your topic fit with the rest of the course?
4. Did you see any connections with other topics presented?
5. What do you think went well in your presentation?
6. What would you change or expand if you had more time to present or more time to prepare?
